PROFESSIONAL SUMMARY

Marketing diploma student at NAIT with hands-on experience building a complete brand and website for a small business. Healthcare background in quality assurance brings unusual rigour to campaign tracking, reporting, and deadlines. Comfortable on both sides of marketing work: writing the copy and building the spreadsheet that measures it.

CORE SKILLS

Marketing: digital marketing, brand strategy, copywriting, social media content, email marketing, campaign coordination

Content & design: photo editing, video editing, Canva, content calendars, visual storytelling

Data & reporting: Microsoft Excel, Google Sheets, basic SQL, performance dashboards

AI tools: ChatGPT, Claude, n8n automation, AI-assisted content workflows

EXPERIENCE

Freelance Brand & Web Designer

2026 – Present

Everwell Therapeutic Massage — Regina, SK (remote)

- Sole strategist, copywriter, and designer for a deep-tissue and cupping clinic's complete brand identity and website.
- Developed positioning, tagline, colour palette, and typography system targeting three audience segments (desk workers, trades, athletes).
- Wrote all landing page copy structured around the two objections that block bookings: cost and insurance paperwork.
- Built a conversion-focused page with clear pricing, direct-billing messaging, and booking calls-to-action.

Quality Assurance Specialist

Mar 2023 – Jul 2024

Roger — US-based healthcare company (remote)

- Audited clinical records and documentation for accuracy and compliance — the same attention to detail now applied to campaign QA and proofreading.
- Built and maintained Excel tracking sheets and produced recurring reports for management.

Administrative Assistant

Jul 2023 – Jul 2024

Jades Cargo — Davao City, Philippines

- Handled customer enquiries, shipment documentation, and records — first-hand insight into what customers ask, now applied to writing marketing copy.

PROJECTS

Personal portfolio website

joshua-melodias.vercel.app

- Designed, wrote, and built a responsive portfolio site including SEO metadata, social sharing cards, and a marketing copy showcase.

MS Gala 2026 — 15-day countdown campaign

MS Nation Community Foundation, Edmonton

- Designed and ran a 15-day poster and video countdown for the foundation's fundraising gala (Edmonton EXPO Centre, Apr 2026) — daily social creatives with QR ticket links driving attendance.
